Life Under A Log Scavenger Hunt

Go out in your yard or take a walk to find a log the circumference of your arm. Be gentle when rolling the log over, and then see what you discover under the log! Did you find all of the creatures below? When you are done searching, make sure you put the log back in the position you found it.

Earthworm

Salamander

Centipede

RolyPoly or Pill Bug

Spider

Millipede

Slug

Fungi (mycelium)
